The Health and Social Services Department is seeking to appoint a Senior Clinical Devices Physiologist to be based at the Princess Elizabeth Hospital in Guernsey. The successful candidate will be required to lead, and work autonomously within, a highly specialised clinical section that delivers a range of services to a diversity of patient presentations.

In addition to holding a BSc in Clinical Physiology and RCCP registration, the successful candidate must hold an appropriate qualification in cardiac implantable devices (e.g. HRUK / IBHRE NASPE) and have at least four years’ post-graduate experience, of which a minimum of two years should be at specialist level. The post holder must also be a good team player, well-organised and have excellent interpersonal skills, particularly when communicating complex clinical information.

We cover the costs for shortlisted candidates to be interviewed in Guernsey. The successful applicant will benefit from a generous relocation package and a 15 year housing licence allowing both you, and a partner where applicable, to assume residence in Guernsey.

To find out more about this role please contact Philippa Le Vasseur, Modern Matron – Day Services, on tel. 01481 725241 ext. 4964. Applications can be made online at www.gov.gg/careers.

We also have opportunities in the following areas: Surgical, Medical, Rehabilitation, Critical Care, Theatres, Community Nursing, Older Adult Mental Health, Midwifery, Acute Mental Health and Endoscopy. Please contact a member of the HR Team on tel. 01481 725241 if you are interested in any of these roles.

Our recruitment team can be contacted by email: healthjobs@gov.gg or tel. 01481 747394.

Closing date: 13 March 2016

Terms and conditions apply to all bonuses, relocation payments and housing licences.
