

**HAWKE'S BAY**  
District Health Board

why work anywhere else?

## **CLINICAL CARDIAC PHYSIOLOGIST (ECHOCARDIOLOGY) MEDICAL OUTPATIENT CLINICS**

**Vacancy Reference Number: AH09077**

Full time.

Hawkes Bay is situated on the sunny East Coast of the North Island, New Zealand and enjoys a Mediterranean climate that produces the finest fruit and world class wines. Wining, dining, sporting and recreational activities are excellent and easily accessible. A large variety of first class private and state schools are available, with tertiary education available at the Eastern Institute of Technology.

### ***Why work anywhere else...***

Hawkes Bay District Health Board (HBDHB) is the leading provider of health services to the 150, 000 people of Hawkes Bay. We have a full time position within the Cardiology Department for a Clinical Cardiac Physiologist experienced in Echocardiology.

A wide variety of echocardiology work is performed from the outpatient based service, including Adult, Paediatric, Transoesophageal and Stress Echocardiography studies.

A part time position of no less than 64 hours a fortnight may be considered.

For further information about this role please visit [www.hawkesbaydhb.govt.nz](http://www.hawkesbaydhb.govt.nz) to view the position profile and complete the online application form.

**Closing Date:** Open
